Welcome to the DIRECTV Plus® DVR. Now that you're plugged in, it's time to start enjoying the new world of endless entertainment in 100% digital-quality picture and sound. This Quick Start Guide will take you step by step through everything from pushing the power button to recording your favorite programs. Getting started will only take a few minutes, but it will change the way you watch TV forever. Once you're up and running, be sure to check out the DIRECTV Plus DVR User Guide for more information on the many features of your new DVR system.

DIRECTV

# **GETTING STARTED**

Once your DIRECTV Plus® DVR system is properly connected, you're ready to begin watching TV in a whole new way.

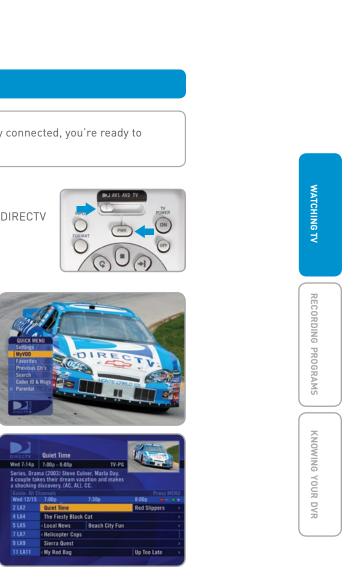

# Turning on your DIRECTV Plus DVR

Set the MODE switch on the remote control to the  $\ensuremath{\mathsf{DIRECTV}}$ position, then press PWR.

#### Using the Quick Menu and Guide

If you are adding the DVR to your existing DIRECTV<sup>®</sup> System, you'll use the same easy, convenient interface you're already accustomed to. Your Quick Menu and Guide features will operate in the same way.

If you are a new DIRECTV customer, you can access the Quick Menu by simply pressing the  $\operatorname{MENU}$  button on your remote. To access what is showing on DIRECTV, press GUIDE twice. To learn more, refer to the DIRECTV Plus DVR User Guide you received from your installer. Press EXIT to leave any screen and return to watching TV.

Visit directv.com/dvr for more information.

# RECORD

Automatically records live TV. (One-touch record works on highlighted programs in the Guide and live TV.)

# STOP

While watching recorded TV, pressing this stops playback, inserts live TV in the top right and gives options to keep, delete or record other episodes of your recorded show.

# REPLAY

Jumps the program you're watching backwards 6 seconds and starts playing from that point. Holding down REPLAY jumps to the beginning of the program.

# ADVANCE

Jumps ahead in recorded or live-stored video by 30 seconds. Hold down to continue to the end.

Want to know how to record and watch recorded shows with your new DIRECTV Plus® DVR? It's easy, and we'll show you how. Let's get started.

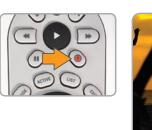

### **RECORDING A PROGRAM YOU'RE CURRENTLY WATCHING**

To record the program you're watching, simply press the RECORD button once on your remote.

1

2 If you press the RECORD button a second time while watching a program, the Onscreen Display will give you the ability to KEEP RECORDING, STOP & KEEP or STOP & DELETE.

If you would like to record a second program at the same time, simply select that program and repeat the steps above. If you wish to watch a different program while recording, you can go to another channel.

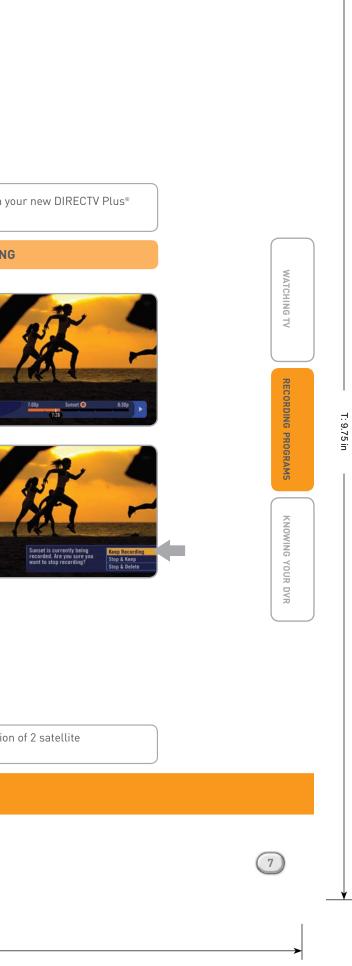

You can record up to 2 programs at once. (Requires connection of 2 satellite inputs from a multiple-LNB DIRECTV $^{\odot}$  System antenna.)

Visit directv.com/dvr for more information.

# DIRECTV PLUS® DVR FEATURES

#### Channel Banner

When you tune to a channel, the Channel Banner appears across the top of the screen, displaying the channel and program you are currently watching. The Channel Banner will also appear if you press the INFO button.

#### Quick Menu

The Quick Menu lets you easily access DIRECTV features relevant to live TV or any screen you are currently viewing, such as the Guide. To access the Quick Menu, press the MENU button.

### Onscreen Guide

The Guide displays listings of current and upcoming programs for up to 14 days in advance. The top right corner shows what's playing on live TV. With one press, the RED and GREEN buttons in the Guide allow you to skip forward or backwards by 12 hours. Press the GUIDE button on your remote to display the Guide.

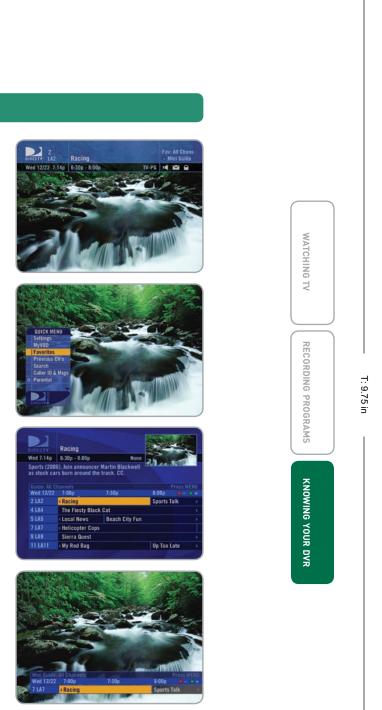

#### The Mini Guide

The Mini Guide is a special version of the Guide that displays only one channel at a time, allowing you to watch live TV in full screen. Bring up the Mini Guide by pressing the BLUE button.

Visit **directv.com/dvr** for more information.
